\*\*Tutoring sessions will be available for kids who are struggling or who need the extra help through the summer to not fall "backward"  
 \*\*Ahhh...to live in a fairy tale! What makes a fairy tale? Find out why these timeless classics are still so very popular!  
 \*\*What goes "whooo" in the night? During our "Night Creatures" session learn about all things nocturnal---bats, owls, and koalas!  
 \*\*Dinosaur Dig will have children going back in time to discover amazing facts about dinosaurs as well as making and digging for fossils  
 \*\*Famous Americans--Betsy Ross, John Hancock, Ben Franklin, and Dr. Martin Luther King, Jr.--are important people from our past  
 \*\*Fish, reptiles, birds, frogs, insects---they all lay eggs and we'll learn about all of them! We may even get to "meet" a few of them and  
 \*\*Our Junior Explorers will be traveling the globe learning about different cultures and languages. First things first...making passports  
 \*\*Send your child on a trip...a trip to outer space! We will explore the planets, stars, sun, and moon! No spacesuit required to enjoy  
 \*\*The Mini-Doodlers session will let your little artist shine! We will be using different mediums to make beautiful "doodles"!

There are 12 "spots" available per session. Payment is due at the time of application for sessions and is non-refundable. Sessions change and, in the event a change is necessary on OUR part, money will be refunded if the new session, date, or time no longer works for you.  
 Please send application and payment to The School Garden at 841 South D Street Broken Bow, NE 68822. Call 872-2489 w
